MEMORANDUM FOR THE DIRECTOR

SUBJECT: Status of Agency Personnel in the Republic of Vietnam

REFERENCES: A. IN 42321, 2 February 1968
B. IN 42329, 2 February 1968
C. IN 42400, 2 February 1968

1. In Reference A, Ambassador Koren advised the Danang Regional Officer that as of 2 a.m., 2 February (EST), he had received names of US civilians currently located at the MACV compound in Hue and that the list did not mention any Agency employees. The welfare of our personnel and their whereabouts remain unknown.

2. Reference B indicates that Agency medical facilities and logistics facilities in Saigon are operating around the clock. Supplies are being drawn from and loaded at Vung Tau for shipment to regions where necessary. Most male personnel at the Duc Hotel are armed. Female employees living in unsecure areas have been moved to this hotel. Of the 100 personnel present at the Duc Hotel, two-thirds are male. Agency communications is considered excellent in South Vietnam and in Saigon -- situation considered. Should the Saigon Air Base become inoperational, the Station plans to ship supplies and equipment to regions direct from Okinawa.

3. The last reference (C) indicates that was visited on 2 February at 0200 Hours (EST) and is in good spirits and will recover.
