vessels", indicate US intends expand war. Meanwhile, Danish Emb Peiping states that NVN Emb there has said that Trinh statement intended make clear that (in addition to change from "could" to "will") demand for "permanent" bombing pause now no longer maintained. But noted that Trinh has again -- this time in undated interview with Bulgarian news agency -- described his 28 Jan 67 interview with Burchett in language which makes operative portion read very much like his Dec 67 statement; reason for this not clear (OIS 9 Jan). *(b)(3) 10*
