SOUTH VIETNAM: Note is taken of a report by a Vietnamese security official that some 35 SVN mil officers were arrested (date/time not specified) on orders of the (pro-Ky) National Police Director Loan, ostensibly for corruption but actually because of their involvement in coup planning on behalf of Thieu and Co against Ky. This info has not been confirmed. Other reports have indicated that Thieu concurred in 17 Jan dismissal action against Co. Exact status of Co situation not clear.
