POLITICAL-MILITARY: According to French FonOff, AFP man Hanoi was told recently by NVN officials that none of the news items out of Hanoi since Trinh statement of 29 Dec should be interpreted as a hardening of Hanoi's position. (French official said Hanoi's concern prob stemmed from Washington's reaction "quite negative" to Nhan Dan's comments of 20/21 Jan on State of Union message.) Above report consistent with number of others recently received from French/Indonesian sources. Tenor of these suggests Hanoi's position remains as outlined in Trinh statement and in Mai Van Bo's Paris interview of 16 Jan (both of which Hanoi has earlier authorized as official). (Bo said: stopping of bombing/other acts of war must be unconditional, --i.e., no reciprocity; talks will begin after "suitable time", 2 sides will meet to reach agreement on level of talks/agenda.)

According to an Indian source, Hanoi indicated its willingness to send an NVA officer to New Delhi to meet with UNSYG during latter's sked visit there this week. (UNSYG now says visit is off, owing to PUEBLO affair.) A few days earlier, UNSYG had reportedly sent letter addressed to Ho making specific proposals for cessation of bombing and reconvening of Geneva Conference, and offering to discuss these with NVNese while he was in India at end of Jan.
